

Horticulture Storage Shed

Herrick Archives Building 353

A. IDENTIFICATION & LOCATION

1. Name

1.1 Never officially named by Board of Trustees action.

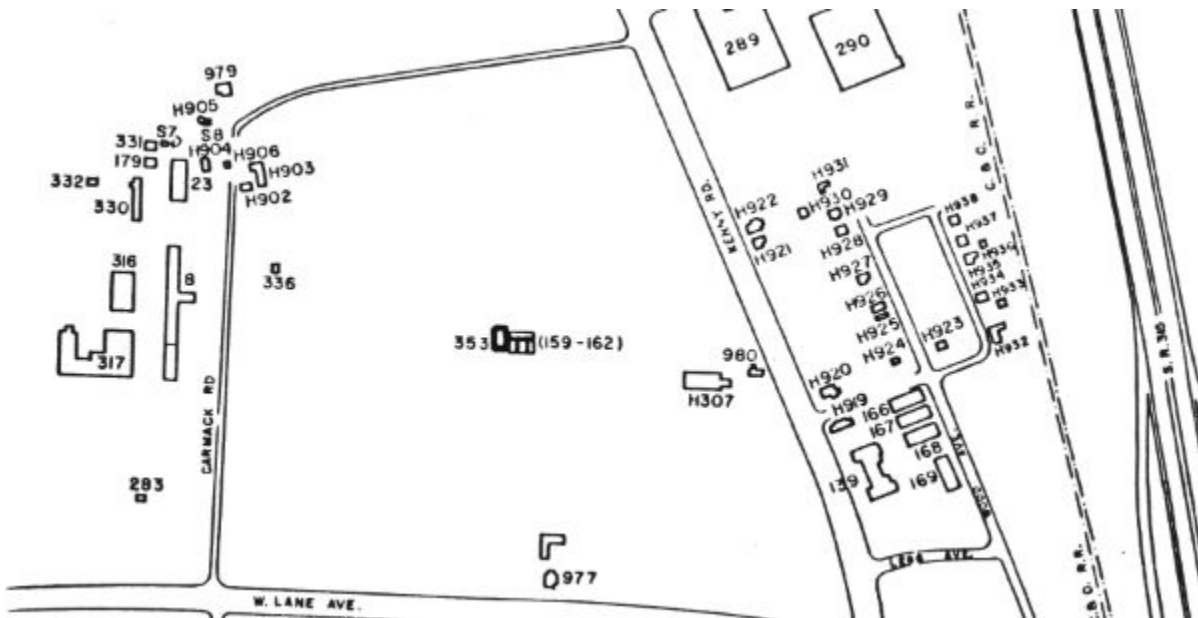

1.2 Alternate names noted:

None.

2. Location

2.1 Located at rear of Building 977 at 1000 West Lane Avenue. See map below.

2.2 For greater detail, see Sheet 52 in the book of campus maps in the University Archives.

For identification of other buildings shown, see Appendix A.

3. General Description

3.1 Type of construction:

Wood roof trusses and rafters, and exterior wall framing. Corrugated fiber glass on roof, west wall, and west half of south wall. Other exterior walls not completed. On 3" steel pipe frame set in concrete footers.

3.2 No. of stories:

One.

See Addendum No. 2

3.3 Increments of construction:

See Part B.

3.4 Since the building is not fully enclosed, exact dimensions cannot be obtained. It is approximately 60' 6" long and 31' 6" wide.

See Addendum No. 1

B. PLANNING & CONSTRUCTION

This building has been constructed by farm labor over a period of years, according to Gerald Myers, Superintendent of Horticulture. The steel frame has been in place 12 years. For the first 8 years, it was covered by polyethylene sheeting each year. The fiber glass skin has been erected gradually over the past four years as resources permitted.
